

Sharmeen Fatima

AI ENGINEER | PYTHON DEVELOPER | AI TRAINER | CYBER SECURITY INSTRUCTOR

Address: M6 Modren Pak Colony Manghpir Road
Karachi Pakistan 75700
Number: 0327-3214981 (Whatsapp)
Email: creativecoderpakistan@gmail.com

EDUCATION

ADA from **University of Karachi (Continue)**
Intermediate from **Usmaniya Govt Girls College**
Metric From **New Generation English Grammer School.**

EXPERIENCE

Founder & Principal

Creative Coder Pakistan
06 November 2025 – Present

- Lead and manage the overall operations, strategy, and growth of Creative Coder Pakistan.
- Design and deliver practical courses in Cyber Security, Ethical Hacking, AI, Agentic AI, AI-Driven Development, Web Development, and IT.
- Develop course curricula, learning materials, assignments, and hands-on projects to provide industry-relevant technical education.
- Conduct and manage online training sessions, mentor students, and provide technical guidance throughout their learning journey.
- Manage student communities, coordinate educational activities, and build collaborations to expand learning and professional opportunities.

Sales Coordinator

Ebone Network Pvt Ltd
02 Oct 2024 – Present

- Coordinate effectively with clients, Sales, Technical, and Operations teams to ensure seamless communication and service delivery.
- Manage and maintain accurate client, sales, and operational data, records, and documentation.
- Coordinate site surveys, facilitate client permissions and approvals, and ensure smooth communication with technical teams.
- Monitor and coordinate service deployments, installations, and related operational activities to ensure timely execution.
- Track client requirements, survey findings, technical updates, and deployment progress while preparing regular reports.

Senior IT Teacher

MAGI Language and Computer Institute
02 Oct 2022 – 02 Oct 2024

- Delivered comprehensive IT and computer education through practical and engaging teaching methodologies.
- Designed and delivered lessons covering computer fundamentals, MS Office, IT concepts, and essential digital skills.
- Guided students through practical exercises, assignments, and hands-on computer activities.
- Assessed student performance and provided personalized guidance to improve learning outcomes.
- Managed classroom activities and maintained a productive and supportive learning environment.

Computer Teacher – Schools

Multiple Schools (Faiz-e-Mushtaq, Muslim Foundation, etc)
5 Years

- Taught Computer Science and IT-related subjects to school students across different grade levels.
- Delivered lessons on computer fundamentals, MS Office, basic programming, and digital literacy.
- Prepared lesson plans, learning materials, assignments, and assessments.
- Used practical and interactive teaching methods to simplify technical concepts.
- Monitored student progress and provided individual support to enhance academic performance.

CERTIFICATES:

- Microsoft Office** from MAGI Language & Computer Institute
Certificate Information Technology from MAGI Language & Computer Institute
Web Development from Bano Qabil (AI Khidmat Program 2.0)
Python Programming Language Advance from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
Agentic AI from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
Prompt & Context Engineering from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
AI Driven Development from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
OpenClaw from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
Python OOPS from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
FTE “Full Time Employment” from GIAIC (Governor Sindh's Initiative for Artificial Intelligence and Computing.)
Cyber Security Fundamental From Bano Qabil (AI-Khidmat Program 4.0 fall)
Ethical Hacking & Digital Forensic From Bano Qabil (AI-Khidmat Program 5.0)

SKILLS

MicroSoft Office

- MicroSoft Word.
- MicroSoft Excel.
- MicroSoft Power Point.
- MicroSoft Access.
- Windows.

Web Development

- HTML. 3
- CSS
- JavaScript (Basics)
- Bootstrap 5
- GitHub.
- Git

Prompt/Context Engineering

- Prompt/ Context Engineering
- AI Prompt Design
- Context Optimization
- LLM Prompting

AI Driven Development

- OpenAI Agents SDK
- Agentic AI
- Prompt Engineering
- Context Engineering
- AI-Driven Development
- Claude Code
- Gemini CLI
- Spec-Kit Plus
- SQL DB (Data Base)

Cyber Security Fundamental

- Cyber Security Fundamentals
- Home & Mobile Security
- Password & Account Security
- Email Security
- Security Tools
- Types of Cyber Threats
- OSI Model
- CIA Triad
- Networking Basics

Certificate Information Technology

- HTML
- Photoshop.
- MicroMedia Flash.
- Urdu Typing

Python Programming Language

- Python Programming Fundamentals
- Object-Oriented Programming (OOP)
- Data Structures & Algorithms — Basic
- File Handling
- Exception Handling
- Functions & Modules
- Pandas
- Matplotlib
- Streamlit
- Data Analysis & Visualization
- API Integration — Basic
- Automation & Scripting
- AI/LLM Application Development
- RAG Applications — Basic
- Python-based AI Projects

Agentic AI

- AI Agents
- OpenAI Agents SDK
- Multi-Agent Systems
- Tool Calling
- Agent Orchestration
- LLM Integration
- Prompt & Context Engineering
- MCP | AI Automation
- RAG | AI-Powered Applications

Ethical Hacking Digital Forensic

- Burp Suite
- Brute Force
- Camphish
- John The Rapper
- Gobuster.
- Harvester
- SQL Injection
- PicoCTF Labs
- Digital Forensic Labs

SUMMARY:

Results-driven AI Engineer, Python Developer, and Technical Instructor with over 6 years of teaching experience and hands-on expertise in Artificial Intelligence, Agentic AI, Prompt & Context Engineering, AI-Driven Development, Cyber Security, and Web Development. Skilled in building AI-powered applications, delivering technical training, and developing practical learning solutions. Passionate about empowering students and professionals through innovative technology and industry-focused education.
